Forankra
Secures everything in transit™

Tarpaulin Textarp ECO Forankra.

Product information

Forankra
Secures everything in transit™

The ECONOMY tarpaulin is the Company's most popular tarpaulin quality. Available in a wide range of sizes that offer exceptional value for money and are ideal for most lightweight temporary cover work where cost is an important consideration.
ECONOMY tarpaulins are double coloured, green on one side and blue on the reverse. Possible usages may include: temporary covers at home and the workplace, garden furniture covers, building site light demands, sand, aggregate and agricultural coverage.
Tarpaulins feature a cord reinforced hem with eyelets at approximately one metre intervals.

- 8 x 8 weave construction
- 10 sizes available
- Reinforced hems
- Eyelets every 1m and at the corners
- Waterproof and shrink proof
- LDPE woven polyethylene inner core
- HDPE lamination outer coating both sides
- Weight: GSM 80
